### Verse

I know you miss me

I can - feel you through the ether

I know you feel me

Thought you needed a breather

Killed you and me so just keep being  
lonely

*(2 cycles)*

### Chorus (many part vocal backing):

Give me a text a warning

Don't come without calling

You come with a warning

and your love is calling me

*(guitar walking dah na na nah)*

### Verse

Can't believe that you - were so blind

Now you're saying you wanna be mine
